DESIGN PROOF 01 · AS FILED

A small direct stake can coexist with reported control

EntryPoint Capital LLC · Form ADV filed 15 Oct 2026

Direct interest only; separate indirect interests are disclosed.
Acquired-status field: May 2023 — not a verified appointment date.

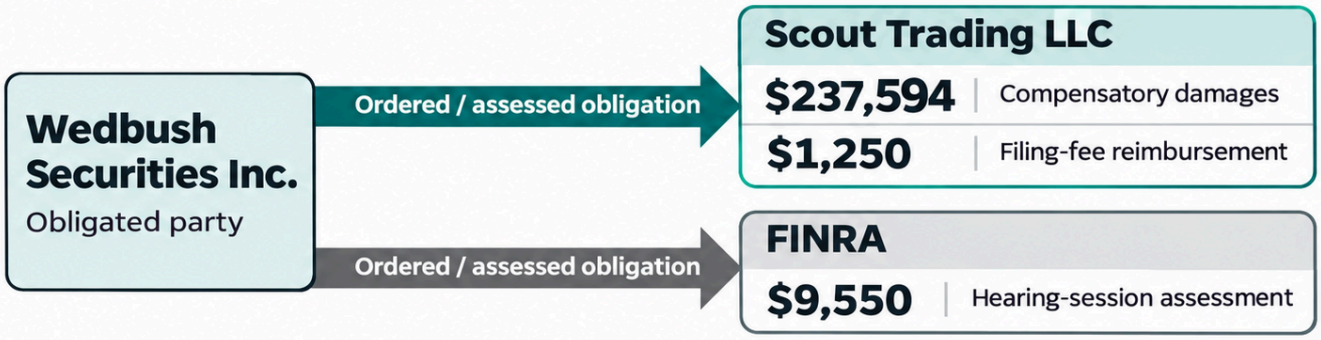

Source: SEC-C002 · Reviewed research cut-off: 4 Nov 2026

Review: Are ownership, control and role distinct at a glance?
Design proof only. Print at actual size; chart width is 180 mm.

DESIGN PROOF 02 · AWARDED OBLIGATIONS

The award assigns obligations to two different recipients

FINRA arbitration 15-02816 · Served/indexed 18 Nov 2016
Signature counterparts: 16 Nov 2016

INTEREST TERMS

Interest to Scout: 4.5% annually from 19 Aug 2014 through the award date; then 9% until payment. No interest total calculated.

Payment not established.

Scout's CRD identity join is an inference; the award supplies no CRD.
The award does not name Bleich. Interest-transition date remains unresolved.

Review: Are the recipients and the difference between obligation and payment clear?
Design proof only. Print at actual size; chart width is 180 mm.

DESIGN PROOF 03 · REPORTED ASSETS

EntryPoint reports higher RAUM at three measurement dates

EntryPoint Capital LLC · Discretionary regulatory assets under management

Change in reported RAUM is not investment return.

First two observations: brochure statements. Latest: Form ADV.

Sources: PAR-B956158-RAUM · PAR-B1031410-RAUM · SEC-C007 / C008

Review: Are the values and measurement dates clear without implying return?
Design proof only. Print at actual size; chart width is 180 mm.
